From PRINCIPAL'S desk

Principal

Barpeta Girls' College, established long back in 1978, was the translation of the desire of a few visionaries in this locality to provide the women of Barpeta and its surrounding areas with a scope for higher education. The founders of this college understood well that for various socio-economic reasons, the women of this locality, in spite of being rich in talent, found it difficult to come out to provide themselves with the opportunities to nurture their talent. They had the desire to widen their mental horizon by opening themselves up to the new avenues of education, but the social atmosphere was not conducive enough for all of them to join a co-educational institution of higher education. So, a few socially conscious people of Barpeta came forward to establish Barpeta Girls' College so that the women who found it difficult to go to a co-educational institution of higher education for the social barriers they were faced with could fulfil their dream of bringing themselves to the height of intellectual pursuit.

Now, in 2022, the situation hasn't remained the same as it was in the year 1978. Many social taboos preventing the women particularly of the rural and underprivileged areas from getting higher education have been wiped out from the society. But in a society which is even today not free from gender-bias, there are certain things for which a large number of women still feel the need of having some opportunities kept reserved for them so that their longing for soaring high in the sky of knowledge can remain unhindered. In such a situation, an institution like Barpeta Girls' College has a lot of things to do. In the past it passed all the obstacles to keep the promises and in future too it will not forget the promises it made at the time of inception.

In the coming days, Barpeta Girls' College will try its level best to move ahead in its destined path, equipping itself with all that the present-day concept of education demands. While the nation is marching forward to embrace what the National Education Policy, 2020 aims at, we feel that it is the need of the hour for Barpeta Girls' College to change itself as widely as possible with an objective to keep pace with the time.

I pay my heartfelt tribute to all the visionaries behind founding of this college as well as those who offered their valuable services towards making the college fully capable of reaching its goal.

Preface:

Barpeta Girls' College, the only institution of higher education for women in Barpeta district, was established on 7th September, 1977, within the vicinity of Barpeta Town, popularly known as Satra Nagari, which is also the headquarter of Barpeta District. Since inception the college has been disseminating higher education to the girl students of Barpeta and its surrounding areas at both HS and UG level. The college at the time of its birth had strong shoulders to rest on, such as Sri Nibaran Chandra Choudhury, noted academician and sportsperson of Barpeta as the secretary of the Governing Body and Sri Jnanaranjan Das, another noted academician and also an advocate, as its principal. Later, the college was served by several noted personalities, prominent in their own ways, as presidents of the Governing Body and Principals.

The College got govt. concurrence at the HS and the UG level in 1984 and 1994 respectively. Later, the college was brought under the deficit grants-in aid system on the 25th of March, 1998 and subsequently, under provincialised system in 2005. It obtained UGC u/s 2(f) and 12 (B) on 5th Jan. 2007, three years after the first cycle of the NAAC assessment and accreditation of the college, in which the college maintained 'C' grade. The college secured Grade "B" in the second cycle of NAAC assessment and accreditation in 2016.

Barpeta Girls' College, currently an Arts stream college with its 9 (nine) departments, is currently imparting higher education in the subjects English, Assamese, Education, Economics, Political Science, Philosophy, Anthropology and Home Science, though it has its dream to expand its arena in the coming days. - ▶ Internal Assessment (IA): IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.
- ▶ Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.
- ▶ 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance.
- ▶ The following criteria will be adopted for awarding marks under this category: a) Class attendance from a) 76% to 80%..... 1 mark; b) Class attendance from 81% to 85%..... 2 marks; c) Class attendance from 86% to 90%..... 3 marks; d) Class attendance from 91% and above..... 4 marks.
